Preventing falls in hospitalized elderly design and

April 4th, 2020 - For this reason the authors of the present study considered it pertinent to design an intervention for hospital teams in the care of the elderly The objective of the present study prises the design and validation by a panel of experts of a team intervention to manage the risk of falls in hospitalized elderly"*Multinational Home Use of Closed Home Diabetes Care*  
April 18th, 2020 - *OBJECTIVE To evaluate the efficacy of a portable wearable wireless artificial pancreas system the Diabetes Assistant DiAs running the Unified Safety System on glucose control at home in overnight only and 24 7 closed loop control CLC modes in patients with type 1 diabetes RESEARCH DESIGN AND METHODS At six clinical centers in four countries 30 participants 18?66 years old with type"**Syddansk Universitet*  
May 1st, 2020 - Syddansk Universitet tilbyder videregående uddannelser i form af bacheloruddannelser kandidatuddannelser og efteruddannelse masteruddannelser uddannelser på deltid samt forskeruddannelser ph d Universitetet har fem fakulteter og er repræsenteret med hovedcampus i Odense samt regionale campusser i Slagelse Kolding Esbjerg Sønderb og København'

'*Baseline Characteristics and Risk Profiles of Participants*

April 27th, 2020 - This analysis of data from the International Study of parative Health Effectiveness With Medical and Invasive Approaches trial ISCHEMIA tdescribes baseline characteristics of participants enrolled and randomized in the trial and evaluates whether qualification by stress imaging or nonimaging'

'*Rethinking Genre in School and Society An Activity Theory*

April 21st, 2020 - Berkenkotter C Huckin T N amp Ackerman J 1991 Social context and socially constructed texts The initiation of a graduate student into a writing munity In C Bazerman amp J Paradis Eds Textual dynamics of the professions Historical and contemporary studies of writing in professional munities pp 191 215"**How do medical specialists value their own intercultural**  
April 27th, 2020 - Intercultural munication behaviour of doctors with patients requires specific intercultural munication skills which do not seem structurally implemented in medical education It is unclear what motivates doctors to apply intercultural munication skills We investigated how purposefully medical specialists think they practise intercultural munication and how they reflect on their'

'*Design of efficient molecular anic light emitting*

April 29th, 2020 - Dias F B et al Triplet harvesting with 100 efficiency by way of thermally activated delayed Hirzel T et al Design of efficient molecular anic light emitting diodes by a high'

'*How do ethnic minority patients experience the*

April 28th, 2020 - In our globalizing world caregivers are increasingly being confronted with the challenges of providing intercultural healthcare trying to find a dignified answer to the vulnerable situation of ethnic minority patients Until now international literature lacks insight in the intercultural care process as experienced by the ethnic minority patients themselves We aim to fill this gap by'

'*Responding to Microaggressions in the Classroom Taking ACTION*

May 1st, 2020 - Whether an observer the target or the unintentional perpetrator of microaggressions faculty often don?t know how to respond to them in the moment The ACTION framework is an effective tool for

anizing your thoughts unpacking the microaggression and addressing the situation calmly and deliberately'

'ACS Nano Vol 14 No 4

April 28th, 2020 - Get article remendations from ACS based on references in your Mendeley library Get article remendations from ACS based on references in your Mendeley library You?ve supercharged your research process with ACS and Mendeley Please note If you switch to a different device you may be asked to login again with only your ACS ID"***M Lynne Markus Bentley University Faculty Profiles***  
May 1st, 2020 - Bio *M Lynne Markus is The John W Poduska Sr Professor of Information and Process Management at Bentley University Professor Markus?s research interests include the social and ethical issues in IT design and use especially in the finance industry and IT governance and anizational design in multinational enterprises governmental anizations and interanizational arrangements'*

'CIVICUS Latest News

April 30th, 2020 - Findings based on data released by the CIVICUS Monitor a global research collaboration which rates and tracks the respect for fundamental freedoms in 196 countries'

'Experimental study of tuberculosis From animal models to

February 29th, 2020 - Author summary Tuberculosis TB is the number 1 killer in the world due to a bacterial infection The study of this disease through clinical and epidemiological data and through the use of different experimental models has provided important knowledge on the role of the immune response generated during infection This is critical for the development of novel vaccines and therapeutic'

'Journal of the American Chemical Society Vol 139 No 40

April 26th, 2020 - Journal of the American Chemical Society 2017 139 40 14041 14044 munication ACS AuthorChoice Publication Date Web September 21 2017'

'Safety and immunogenicity of the tetravalent live

April 30th, 2020 - Each monovalent vaccine was stored at ?80°C ± 15°C and shipped to the Butantan Institute Immediately before administration the monovalent vaccines were thawed diluted and bined as an admixture with a final potency of 3 log 10 plaque forming units for each ponent per 0.5 mL dose"***Patient Clinician munication About Pain A Conceptual***  
March 27th, 2020 - The authors are grateful to Nicole Johnson MA for assistance with the literature search and article summaries to Richard L Kravitz MD MSPH for advice on an earlier version of this manuscript and to Susan Verba of the University of California Davis Center for Design in the Public Interest DiPi for help designing our conceptual model'

'Unmanned surface vehicles An overview of developments and

April 27th, 2020 - Unmanned surface vehicles An overview of developments and challenges including reliable munication systems suitable hull design and powerful GNC strategies Ma et al 2013 such as fog lighting rain wave occlusions sophisticated background"**Rapid Response Systems as a Patient Safety Strategy A**

April 24th, 2020 - 1 Criteria and a system for notifying and activating the response team known as an ?afferent limb ? the mechanism by which team responses are triggered Activation criteria usually include vital signs single trigger criteria vs aggregate and weighted early warning scoring or general concern expressed by a clinician or family member"**Pinterest**

May 1st, 2020 - Discover recipes home ideas style inspiration and other ideas to try"**The Impact of New Media on Customer Relationships**

April 26th, 2020 - The Impact of New Media on Customer Relationships Thorsten Hennig Thureau Edward C Malthouse Christian Friege The Impact of Virtual Store Exposure on Real Life Brand Attitudes and Purchase Intent ?? Recherche et Applications en Marketing Li Ming Benjamin Dias Wael El Deredy"**Feasibility of Outpatient Fully Integrated Closed Loop**

February 4th, 2020 - OBJECTIVE To evaluate the feasibility of a wearable artificial pancreas system the Diabetes Assistant DiAs which uses a smart phone as a closed loop control platform RESEARCH DESIGN AND METHODS Twenty patients with type 1 diabetes were enrolled at the Universities of Padova Montpellier and Virginia and at Sansum Diabetes Research Institute'

'Christine Williams Bentley University Faculty Profiles

April 22nd, 2020 - Bio Teaching interests include American national elections parties and interest groups and the media Publications and research interests include political socialization women and politics media and politics teaching with the World Wide Web and curriculum issues reform process content assessment"**PDF From Game Design Elements to Gamefulness Defining**  
May 1st, 2020 - From Game Design Elements to Gamefulness Defining Gamification It bees clear how much the design of via fuzzy logic is a fundamental challenge e g Dias et al 2017'

'Factors associated with falls in hospitalized adult patients

April 28th, 2020 - Factors associated with falls in hospitalized adult patients Author links open overlay panel Jill Cox PhD Costa Dias et al 2014 Titler et al effective munication of fall risks to ancillary caregivers or the incorporation of effective critical thinking skills in patient care that is aimed at decreasing patient falls can be'

'Architect Critical Challenges as a Project Manager in

April 30th, 2020 - All construction professionals such as civil mechanical and electrical engineers quantity surveyors and architects have important roles in the construction process Among these architects are frequently appointed as a project manager PM The role of a PM will drive the success of the projects implementation Therefore the capability of an architect as a PM ArPM is critical in'

'parative Analysis of Viperidae Venoms Antibacterial

April 25th, 2020 - Bacterial infections involving multidrug resistant strains are one of the ten leading causes of death and an important health problem in need for new antibacterial sources and agents Herein we tested and pared four snake venoms Agkistrodon rhodostoma Bothrops jararaca B atrox and Lachesis muta against 10 Gram positive and Gram negative drug resistant clinical bacteria strains to'

'Physician munication and Patient Adherence to Treatment

April 11th, 2020 - Physician munication skills training has less effect on adherence the more serious a patient?s disease and more effect if the physicians trained were pediatricians When munication training involves specific training in achieving adherence there is a marginally significant effect of munication training on patient adherence'

'The DESiGN trial DEtection of Small for Gestational age

April 29th, 2020 - The rate of stillbirth in England and Wales has declined recently from 5 7 1000 births in 2003 to 4 7 1000 in 2013 but the United Kingdom UK rate remains amongst the highest in developed countries 2 3 Reducing stillbirth is a national priority 4 5 6 It has been estimated that up to 57 of babies who die in utero are small for gestational age SGA and 9 have placental insufficiency'

'Pericyte

April 16th, 2020 - munication between endothelial cells and pericytes is vital Inhibiting the PDGF pathway leads to pericyte deficiency This causes endothelial hyperplasia abnormal junctions and diabetic retinopathy A lack of pericytes also causes an upregulation of vascular endothelial growth factor VEGF leading to vascular leakage and hemorrhage"Barriers to Implementation of Case Management for Patients

December 30th, 2016 - Barriers to Implementation of Case Management for Patients With Dementia A Systematic Mixed Studies Review Vladimir Khanassov We used a sequential explanatory synthesis design developed by Thomas et al 42 to integrate qualitative evidence with quantitative findings Dias A Dewey ME D?Souza J et al"parative efficacy of treatments for Clostridium

**April 27th, 2020 - Among the treatments for non multiply recurrent infections by C difficile the highest quality evidence indicates that fidaxomicin provides a sustained symptomatic cure most frequently Fidaxomicin is a better treatment option than vancin for all patients except those with severe infections with C difficile and could be considered as a first line therapy Metronidazole should not be'**

'Convention on the Rights of Persons with Disabilities and

April 21st, 2020 - ? 3 ? with other children and recalling obligations to that end undertaken by States Parties to the Convention on the Rights of the Child s Emphasizing the need to incorporate a gender"Public views of the benefits and barriers to the

**May 1st, 2020 - The aim of this study was to examine consumers perceived benefits and barriers to the consumption of a plant based diet Mail survey that included questions on perceived benefits and barriers to"Frontiers Phonetic Convergence Language Talent**

April 23rd, 2020 - Studies into phonetic adaptation rarely consider individual differences IDs on a cognitive and personality level between speakers as a direct source of adaptation variation In order to investigate the degree to which the individual phonetic talent and further psycho cognitive IDs of speakers affect phonetic convergence in a second language setting 20 German native speakers were involved in'

'Eduniversal Best Masters ranking worldwide

**April 30th, 2020 - eduniversal best masters ranking methodology The Eduniversal Best Masters Ranking offers a detailed assessment of Masters and MBA programs globally Designed to help prospective students discover the best options for their graduate studies Eduniversal Best Masters Ranking is the only platform that assesses individual master courses worldwide across 50 different fields of study"Implementing the New ANA Standard 8 Culturally Congruent**

April 30th, 2020 - This new Standard 8 now provides a framework enabling nurses to bee culturally petent role models and leaders for novice clinicians colleagues and consumers Part of the trend to ensure better outes and reduce health disparities namely new minimum quality indicators were announced for healthcare anizations and providers"Design and Clinical Evaluation of the Interoperable

**April 21st, 2020 - Design and Clinical Evaluation of the Interoperable Artificial Pancreas System iAPS Balliro C Hillard MA et al Home use of a bihormonal bionic pancreas versus insulin pump therapy in adults with type 1 et al DiAs user interface a patient centric interface for mobile artificial pancreas systems J Diabetes Sci Technol 2013 7 1416'**

'Very low carbohydrate ketogenic diet v low fat diet for

**April 8th, 2020 - The role of very low carbohydrate ketogenic diets VLCKD in the long term management of obesity is not well established The present meta analysis aimed to investigate whether individuals assigned to a VLCKD i e a diet with no more than 50 g carbohydrates d achieve better long term body weight and cardiovascular risk factor management when pared with individuals assigned to a'**

'Quantitative Determination of Technological Improvement

June 16th, 2019 - Introduction It is possible to quantify the improvement of a technological domain over time as was first introduced by Moore and has since been explored more broadly and deeply by many others 2?9 All of these authors find exponential relationships between performance and time or equivalently that the fractional or percentage change per year is constant'

'Google Translate

May 1st, 2020 - Google s free service instantly translates words phrases and web pages between English and over 100 other languages'

'Dr Anita Simic Milas

April 21st, 2020 - Education amp Professional Experience PhD University of Toronto 2005 2009 MSc University of Toronto 2000 2002 HBS Sc University of Toronto 1994 1998 Bowling Green State University Ohio Assistant Professor 2013 2019 University of Victoria Canada Limited Term Senior Instructor 2012 2013 Institut National de la Recherche Agronomique INRA France Postdoctoral Fellow 2010 2012"International munications amp Development City

April 27th, 2020 - The International munications and Development MA provides will provide you with skills to help you to Gain an overview of the main issues in the field on International munications and Development Develop a broad interdisciplinary overview of developments in broadcasting telecommunications the press and information technology'

'Characteristics and Outes of 21 Critically Ill Patients

May 1st, 2020 - This case series describes the clinical presentation characteristics and outes of patients with coronavirus disease 2019 COVID 19 admitted to the intensive care unit at a public hospital in Washington State in February 2020 including initial reports of cardiomyopathy in one third of the'

'Cell membrane covered nanoparticles as biomaterials

April 30th, 2020 - Furthermore a pH responsive polymeric nanoparticle cskc PPiP PTX Ma is coated with macrophage membranes to achieve drug delivery and controlled release by using the cell membrane coating approach these nanoparticles are then applied to the tumour targeted delivery of paclitaxel PTX and release in response to the low pH value of endosomes"Social2Search Home SearchAwesome  
April 25th, 2020 - Speed Search on Google Speed up your searches No need to click on the search box to start a new search Just start typing So much easier'

'Frontiers One Health ness Evaluation of Cysticercosis

April 17th, 2020 - The increasing occurrence of human cysticercosis a zoonotic neglected disease is challenging the traditional prevention and control paradigm and calling for One Health OH solutions in industrialized countries OH solutions for health interventions are increasingly being used to capture expected and unexpected outes across people animals and the environment The Network for Evaluation"PDF  
RELEVANCE OF SOCIAL MEDIA IN MARKETING AND ADVERTISING

April 29th, 2020 - The purpose of this paper is to identify the influence of social media marketing on the purchase intention of Gen Z A self administered questionnaire is developed and distributed to 424'  
'A Hybrid Model for Managing DH Projects ADHO

April 18th, 2020 - Digital Humanities DH is scholarship that is monly practiced through collaborative work anised in projects Burdick et al claim that such team based approach challenges traditional humanities which are still based on individual authorship Burdick et al 2012 They point out that although knowledge has always been produced and accessed in fundamentally distributed ways there is a"Speech acquisition  
studies Multilingual Children s Speech

April 26th, 2020 - Speech language pathologists frequently use data regarding children s speech acquisition The table below includes journal articles and theses that provide data on the age typically developing children acquire consonants consonant clusters vowels and tones'
