May 28th, 2018 - The Economy of Cities has a certain amount of unnecessary repetition but not as much as Jacob s The Death and Life of Great American Cities which I would also highly recommend despite that problem

Also and this is not a major point Jacobs recognizes that exports may contain inputs which have to be imported but does not seem to see that"Jane Jacobs Quotes Author of The Death and Life of Great

July 10th, 2018 - 88 quotes from Jane Jacobs Cities have the capability of providing something for everybody only because and only when they are created by everybody To seek causes of poverty in this way is to enter an intellectual dead end because poverty has no causes Only prosperity has causes and By its nature the metropolis provides what otherwise could be given only by traveling namely'
