'Some remarks about the integration of polynomial planar
March 5th, 2020 - In this paper we present some tools

especially but not only from enumerative and algebraic geometry that are involved in the search of first integrals of polynomial planar vector fields As an illustration we described how these tools have been useful in our recent characterization of all cases of projective liouvillian integration of the homogeneous three dimensional Lotka Volterra system''**uvres tome 2 Book by FRANÇOIS MITTERRAND Paperback**
