the great prostate cancer hoax a call to arms urology

June 1st, 2020 - the great prostate hoax begins with a historical perspective on the discovery of psa and its
acceptance by the fda and the urology munity first in 1986 to monitor those with prostate cancer and later
in 1994 to screen for the disease unfortunately the book quickly leaves historical reality and begins to make
unfounded usually illogical parisons between psa screening and among others the tobacco
industry" *prostate cancer diet is the key*
