**June 1st, 2020 - set against the rise of nazism war with the newts was written in 1936 mankind discover a new intelligent sea dwelling race of salamander living in the pacific ocean as you might expect this race is quickly and ruthlessly exploited and enslaved however eventually the newts learn as much as they need to rebel against their captors hence the title war with the newts'**

**'karel capek rur and war with the newts review**

**June 6th, 2020 - war with the newts contains many of the same themes except this time it s focusing on a species of intelligent newts that humanity discovers and subsequently takes advantage of until they eventually rise up against them what s interesting here is that the war itself doesn t take up much of the book but rather it tends to focus on the events that led up to the war and humanity s role in them"pdf download rur war with the newts free unquote books**
