24 million road traffic deaths occur every  
year 1 cause of death among those aged 15  
29 years road safety and media reporting  
road traffic crashes are often covered in  
the media simply as events not as a leading  
killer of people and an enormous drain on  
a country's human health and financial  
resources"**about road safety education

**May 25th, 2020 - road safety education  
encourages and supports the role that parents  
and carers play in helping their children to be  
safe road users and to learn about road safety  
it seeks to develop the behaviours and  
attitudes for safe road use relevant to the  
development of children and young people as  
passengers pedestrians cyclists and as novice  
drivers'**

**'what can we learn from the historic road  
safety**

**February 9th, 2020 - we argue that the  
reversal in the traffic injury trend did not  
occur because hics reached an ine  
threshold instead the 1960s were a period  
of paradigmatic change in thinking about  
road safety subsequent safety  
improvements occurred because countries  
at different ine levels established  
regulatory institutions that had a legislative  
mandate and financial resources to conduct  
large'**

**'how to teach children road safety rules  
how to adult**

---

**May 31st, 2020 - tell your kids when you are changing lanes and why show them by example what to do when you miss a turn or if your cell phone rings when you are driving set a good example now to help them learn safety rules before they learn how to drive tips making up a song about the rules of the road can help children remember them model safety'**
