guestbook leanne shapton

March 19th, 2020 - leanne
shapton has a way of making
books entirely new surreal
and uncanny always
experimenting with the ways
image and text can be mixed
to tell new stories in new
ways guestbook is a delicious
haunting and leaves one with
a chill of recognition for
how we live as ghosts in this
distant distracted and image
obsessed time'

May 7th, 2020 - the stories in guestbook linger like ghosts march 30 2019 leanne shapton s new short story collection feels like walking through an art gallery each piece linked in ways that are ineffable'

'10 lighthouses surrounded by spooky legends listverse
June 5th, 2020 - lighthouses are beacons in the night for those out at sea they ensure that boats enter harbors safely and serve as markers for hazardous coastlines but life in a lighthouse can be pretty lonely just ask any lighthouse keeper maybe that s why eerie legends and ghost stories have surrounded lighthouses around the world throughout the years'

'ghosts along the little bighorn
June 5th, 2020 - visitors of another kind by bob reece e ach year nearly 400 000 tourists visit the windswept ravines and ridges of the

little bighorn battlefield
national monument standing on
the hill where custer and the
last of his men died they can
imagine the last few moments
as lt col george armstrong
custer and his soldiers met
their fate at the hands of
the lakota and cheyenne'
