'**60 free lettering fonts Canva Learn**

April 30th, 2020 - Finding the right calligraphy font for your needs can be a hard and arduous task. They are either too decorative and flashy for your simple designs or too simple and modern for your formal designs. Calligraphy fonts have many uses and are best paired with a simple body font for balance. Use them sparingly so you don't overpower your designs or break the rules and see what you can create.'

'**45 Traditional Geisha Tattoo that Inspire your Artistic Side**

April 28th, 2020 - The Japanese traditional geisha tattoo designs show how complex the geisha girls were, though there is a misconception of the girls being used for sexual escapades. The girls are learned and trained in their skills and different from the prostitutes.'

'**Kirigami The Japanese Art of Folding and Cutting Paper**

April 27th, 2020 - What is Kirigami? I could define this way: kirigami is symmetrical and an art of folding paper which is cut by scissors to make flower, paper doll, paper snowflake and other designs. It is quite similar to Origami. Folded paper and seen as one of Japanese traditional arts that has been practicing over times by the Kirigami lovers. Anyone can try it by folding a paper and then cut it on your.'
