'gee s secret key to the universe book review

*May 17th, 2020 - george s secret key to the universe is an example
of what you get when someone decides to write for children
because after all how hard can it be it also exemplifies the dangers*

of trying to bine teaching with storytelling what you often end up with is a preachy didactic story told in a condescending tone with stereotypical characters and a plot that doesn t make a whole lot of sense'
