'*john henry newman republished wiki 2*

June 2nd, 2020 - john henry newman cong orat 21 february 1801 11 august 1890 was a poet and theologian first an anglican priest and later a catholic priest and cardinal who was an important and controversial figure in the religious history of england in the 19th century he was known nationally by the mid 1830s originally an evangelical oxford university academic and priest in the church of england'

**personalism**  
May 3rd, 2020 - personalism is an intellectual stance that emphasizes the importance of human persons various conceptualizations have been explored so personalism exists in many different versions and this makes it somewhat difficult to define as a philosophical and theological movement the term personalism was used in print first by f d e schleiermacher in the last year of the 18th century'
