do you think karate is useful in practical situations

May 1st, 2020 - karate is a plete self defense system and it is very practical once the  
basics are mastered it has a history of application that proves it works when someone  
tells you your systems drawbacks find out where they are ing from i find many people have  
opinions about martial arts that are based on what they hear from others or what they  
see'

*'the most effective martial art for self defence on the*

*June 1st, 2020 - now on to the defense systems and tactics verbal self defense every  
mutual fight is avoidable over the years verbal judo has saved me from a great deal of  
verbal confrontations and physical confrontations you can pick the book up on for a few  
dollars it is widely used by law enforcement and for good reason'*
