meatonomics david simon''*meatonomics the bizarre economics of meat and dairy*

*May 31st, 2020 - the bizarre economics of meat and dairy guest blog by marta
zaraska if there is one thing that is the most responsible for keeping us hooked
on meat it s our culture not our genes not our taste buds not even the powerful
meat industry with its annual sales in us higher than the gdp of hungary or
ukraine although admittedly all these factors are important too'*
