The Pool Photographer Literally The New York Times

May 1st, 2020 - The Pool
Photographer Literally By
Eric Nagourney May 23 2014
May 23 2014 What traveler
hasn?t gotten off a plane
after a long flight and
suddenly trying to adjust to
a warm climate thought about
a dip in the water'

'Tranquil Swimming Pool Photography swimming pool photography

April 21st, 2020 - The
stunning swimming pool
photography series would go
smashingly well in a rather
minimalist contemporary
interior setting The
inherent uniformity and
munication of elements
within the frame truly
captures the attention and
embraces a design forward
aesthetic where the position
addresses something that is
relaxing and appealing but
often goes under the radar'

'SWIMMING POOL Maria Svarbova

May 4th, 2020 - In the
Swimming Pool is Maria s
largest series yet
originating in 2014 and
continuing to develop to
date Sparked by a hunt for

interesting location her fascination with the space of public swimming pools contributed to developing her visual style Sterile geometric beauty of old pools set the tone for these photographs'
