dragons of autumn twilight dragonlance chronicles 1

*June 7th, 2020 - the reason i got into the book in the first
place was because i was in the mood for dragons and
dragons of autumn twilight does not disappoint the first
half of the book leaves a lot to be desired and weis amp
hickman try to cram way too many characters into the
story leaving many of them pretty under developed and
one dimensional"***dragonlance dragons of autumn**
