Census of marine zooplankton CMarZ

Accomplishments and

June 18th, 2018 - Zooplankton is widely
distributed from coastal to oceanic waters and
from sea surface to abyssal depths Some of it
are known to play important roles in marine
ecosystems including those in the food chain and
matter transfer but there are also many species
whose distribution and ecology are mostly
unknown'

'Census of Marine Zooplankton A new global

survey of

January 2nd, 1989 - PDF The Census of Marine Life CoML A new global survey of Marine

Biodiversity plankton CMarZ is a new''Census of

Marine Zooplankton PowerPoint PPT Presentation

June 1st, 2018 - Census of Marine Zooplankton

CMarZ is a proposed new field project of the Census of Marine Life to address the overarching question ?what are the patterns of zooplankton biodiversity throughout the world ocean and how are they generated and maintained?'
