endroducing by eliot wilder goodreads

May 19th, 2020 - okay so the good part of this contribution to the 33 1 3 series is that it s done in  
an interview format i really like first hand accounts so i like that dj shadow was involved and it  
was all a question answer vibe the bad part of this contribution to the 33 1 3 series was that the  
interview segment was boring" *customer reviews dj shadow s endroducing*

March 13th, 2020 - the 33 1 3 series is usually guys writing about their favorite lps kinda boring even if  
they are on some great stuff like pink floyd s piper at the gates of dawn anyway this particular 33 1 3  
diverges from that trend and has about a 80 page interview with shadow that gives you a glimpse into  
his creative process on some level at least from a historical perspective'
