'biopsy
May 31st, 2020 - a
biopsy is a medical
test monly performed by
a surgeon
interventional
radiologist or an
interventional
cardiologist the
process involves
extraction of sample
cells or tissues for
examination to
determine the presence
or extent of a disease
the tissue is generally
examined under a
microscope by a
pathologist it may also
be analyzed chemically
when an entire lump or
suspicious area is'
